ABCMouse helps prevent summer learning loss in reading for children. In a recent study, students who regularly used ABCmouse for at least 70 minutes per week over the summer demonstrated literacy gains equivalent to one month of instruction! During these summer months, we often hear from parents who are worried about the summer slide. ABCmouse is one effective solution for maintaining academic achievement over the summer. In fact, students who regularly used ABCmouse for at least 70 minutes per week over the summer demonstrated significant literacy gains!
